G. W. Wells, Esq, M.A., I.C.S.,
Collector of South Kanara.

To,

The Labour Commissioner,
M A D R A S.

Sir,

I have the honour to state that the recent floods in Udipi - taluk have resulted in widespread destruction of houses in the villages of Udiawar, Tonse, Barkur, Uppur, etc., and having visited a good proportion of these places, I have satisfied myself that the damage has been serious. I am on my way to Coondapoor where also floods are -- reported to have caused serious damage. In order to ascertain which of the owners require, and through poverty ought to get, free grants of timber and to ascertain what materials remain and are still ------ serviceable a house to house inspection is essential. I am informed that for Udipi taluk alone this will have to cover about two thousand houses which are situated mostly in cocoanut gardens by the riverside, and the staff at the disposal of the Tahsildar is quite inadequate as only one Revenue Inspector is available for the work. A similar --- enquiry will no doubt have to be held for Coondapoor taluk, and for - Mangalore taluk. The work for the three taluks could be done with - reasonable promptitude (probably in less than a month) with the ----- assistance of the Labour staff of this district under the orders of — Mr. Sultan Mohideen. Without some such helpit will take a long time to do and recommendations and the orders thereonmust be delayed. -- Will you therefore kindly depute the District Labour officer and his staff for this work, obtaining the orders of Government if necessary? I should be glad of a reply by wire, as the matter is very urgent.

Your obedient servant

Collector.

Copies of this telegram may also go to members but again there seems no reason to mark them Special. They will get them in the course of the day
